<b>1</b>	You've worked in a responsible way													
<b>2</b>	You've planned before doing both individually and in group, and I've achieved the aims													
<b>3</b>	I've been organised, being respectful with the deadline and working clearly and carefully													
<b>4</b>	I've respected and valued what my classmates contribute, motivating and cheering them up													
<b>5</b>	I've participated in group decisions, adding creative solutions and using extra material													
<b>6</b>	I've brought the material I needed for the work													
<b>7</b>	Apart from the results, I've made a real effort and worked really hard													
<b>8</b>	I've contributed to a nice climate while working, knowing it would be important for the work													
<b>9</b>	I've achieved the aims the group had, after making arrangements previously													
<b>10</b>	I've thought and done a conclusion about the work, made both individually and in groups.
